**Senator Cropsey Sponsors Resolution Supporting  
President George W. Bush for Protecting U.S. Families**  
*Sponsors Senate Resolution 37 supporting President Bush's efforts in Iraq*

LANSING – Senator Alan Cropsey, R-DeWitt, today sponsored a resolution to express support for President George W. Bush's strategy for protecting the security of the United States through efforts in Iraq and to express support for Michigan troops.

“Senate Resolution 37 expresses support for the difficult and challenging decisions that President George W. Bush must make in the next 48 hours to bring peace and stability to our country,” Cropsey said. “The resolution also honors the men and women who serve the United States in uniform and the families they have left behind to courageously defend our principles and freedoms.”

SR 37 acknowledges the challenges and long-term commitment the United States has made to fight terrorism in our country. It also expresses support for the nation as it prepares to take military action to deal with threats from Iraq and its weapons of mass destruction. The resolution also recognizes that “the true cost of freedom is clearly beyond measure,” and voices support for all of our troops.

SR 37 will be transmitted to the President of the United States Senate, the Speaker of the United States House of Representatives, and the members of the Michigan congressional delegation.
